NATURALIZING TREES AND SHRUBS

Perhaps Nature has already endowed you with an attractive Landscape — Cedars, Bayberry Mounds, Oaks and Laurel Masses, with flaming Nyssa and Sumac clumps. You can increase Nature's bounty. Why not make a feature of this natural beauty and add Dogwoods, Mallows, Vaccinium, Shrub Roses, and Broad-leaf Evergreens to further enhance the scene?

EVERGREEN HEDGES

From time immemorial people have used hedges and fences to protect their property from intrusion and to secure privacy.

ARBORVITAE

AMERICAN (*Thuja occidentalis*) Upright growing type. Good foliage.

DARK AMERICAN. (*Thuja occidentalis nigra*). Rich dark green foliage; makes a full, compact hedge.

Giant Arborvitae (*Thuja occidentalis plicata*). Pyramidal in shape. Deep green foliage with triangular whitish spots.

Pyramidal. Because of its shapely habit of growth and deep green foliage, this makes a very fine hedge.

BULK'S HARDY ROSES

Roses—the mere name is an inspiration to garden lovers. Nothing can take the place of the Rose. Almost every home has room for at least a few. Roses will grow in any fertile soil, but are much improved in bloom, fragrance, and beauty by rich soil, liberal fertilizing, and good cultivation. Branches should be well cut back early each spring.

FRUITS

In the extremities of the lawn or upon the adjoining lot, plant fruit trees. They will bountifully reward you in the fruit they yield, which you will enjoy eating right from the trees or in the winter as preserves and jam. The fruit-garden can easily be made a part of the scheme for beautifying your property. Flowers along the walk to the orchard will brighten the way and provide blooms for cutting.

GUARANTEE

(In conformity with uniform guarantee as adapted by National Landscape Nurserymen's Association.)

Provided account is paid within 30 days, and plants have received reasonable care and protection, we will replace at one-half original cost all woody plants furnished and planted by us which fail to survive one growing season. Guarantee does not apply in cases of loss due to drought, severe winter storms, insect injury, seashore exposure, or factors beyond our control.

The customer pays the cost of delivery and planting of the replaced plants.

If plants to be replaced are out of stock, credit will be applied to other plants.
